

SECTION 7.0. REPRIEVE Tokens of Appreciation

Sites identified ‘Providing Tokens of Appreciation’ as a potential strategy to help retain participants in REPRIEVE. The REPRIEVE CCC has developed tokens of appreciation for sites to hand out to their participants at their discretion. These tokens are available to all sites *for free!* Images of the tokens are provided below. To request tokens for your site, please contact Emma Kileel at ekileel@mgh.harvard.edu.
