Don't forget, we are in our final push to the finish line! The REPRIEVE Leadership Team wants to recognize the *extra* effort and cost of recruiting these final participants.

We have been keeping track of enrollment since September 10th and will continue until the enrollment of the 7500th participant!

The top 3 enrolling sites over the course of the challenge, will receive \$1000 USD, \$750 USD, or \$500 USD respectively for the extra effort to enroll.

Any site that enrolls more than 5 participants during the course of the campaign will receive 100 USD.

Check out the current standings below!

Keep up the great work!!

Q: We are preparing to submit documents to the MGH DCC for a death event, however, we are unable to obtain the death certificate. How should we proceed?

A: When a death certificate is not available, a death summary signed by the site PI that includes the date of death and unavailability of a death certificate is able to be submitted.

World AIDS Day is December 1st!

In addition to being a day to unite in the fight against HIV and show support for people living with HIV, it is also a great opportunity to recognize the great strides made in HIV treatment and [Saturday, December 1st!](#) on World AIDS Day Join us in recognizing research, and highlight the work your REPRIEVE teams and trial participants are doing.

Seeking Additional REPRIEVE Community Advisory Board Members!

As follow-up for REPRIEVE continues it is important that we make sure participants feel involved and that their voices are heard. The purpose of the REPRIEVE Community Advisory Board (CAB), ongoing since 2016, is to ensure that community concerns and suggestions are brought to the attention of trial investigators and carefully considered.

The REPRIEVE Clinical Coordinating Center (CCC) is seeking additional REPRIEVE participants interested in serving on the REPRIEVE CAB.

Members of the REPRIEVE CAB receive important trial updates on a monthly basis via email and meet quarterly via teleconference.

If you have participants who may be interested, please have them contact Emma Kileel at ekileel@mgh.harvard.edu.

Reminder: BRI Holiday Closure

BRI will be closed on Thursday, November 22nd in observance of the U.S. Thanksgiving Holiday. If your site is scheduled to ship the 3rd week of November, please only ship on Monday, November 20th.

If your site/laboratory is unable to ship during its designated week, you must make arrangements with the Repository Manager to ship on another date by emailing brirepository@afbr-bri.com.

A Message About ECG Machines

The REPRIEVE Clinical Coordinating Center (CCC) is beginning to collect ECG machines from sites that are no longer enrolling participants. If you do not anticipate enrolling any additional participants into REPRIEVE please contact Emma Kileel at ekileel@mgh.harvard.edu to initiate the return of your site's ECG machine.

NEW My Heart Matters Blog by Follow YOUR Heart!

The REPRIEVE **Follow YOUR Heart Campaign** invites you to read the latest *My Heart Matters Blog*, [Nutrition Information Labels & Heart-Healthy Diets: Things You Should Know](#). Nutrition information labels can be confusing – this post hopes to clarify what the "Heart Healthy" label means and suggest some tricks you can use to determine how healthy the food you are buying really is!

Save the Date!
Tuesday, November 20th 2018
1:00 – 2:00 PM ET

For the next monthly site call!
Watch for the email announcement with more details about the call – important enrollment updates will be discussed.

The Final Five Campaign!

REPRIEVE has less than 500 participants to enroll over 100 active sites...

You do the math!

...If each site enrolls *at least* 5 more participants the trial will reach target accrual!!

REPRIEVE Leadership is asking each site to set a goal of enrolling *at least* 5 more participants to bring us across the finish line!
